- 2) *Boat cruise and onboard activities for all (July 26 evening till July 27).*
- 3) *Arrival at Helsinki port (July 27 morning, approximately by 10:00).*
- 4) *Sightseeing in Helsinki (July 27 whole day).*

One of the shipping lines will be chosen at the end. Mannan Mridha vai (4th intake) has taken initiative to do booking for all of us to get a better price deal. Details will be coming in due time.

Please note that, July is very busy tourist month for the Nordic countries and we need to book ship journey & sightseeing in Helsinki within this busy period. Your cordial cooperation is the key to make it smooth and successful. **Please inform us in well in advance about your participation by the end of May, 2018. At this stage, we need to know how many participants (adults and children with age) are coming so that we can make a preliminary reservation for the cruise to Helsinki.**
